PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Response to Rule 312 Communication	Application No.	Applicant(s)
	09/677,493	YANG, GUANG
	Examiner	Art Unit
	BAOQUOC N. TO	2162

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 28 June 2010 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☒ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The amendment has been disapproved because the amendment requires further search and consideration including raising the issue of new matter. For example in the claims now states "...wired or wireless" and "...through a single computer port or a set of computer ports" and the amended spec now include " the client computer is either a personal computer, laptop computer, Smartphone, or other portable or hand-held device computer device. The server computer is a personal computer, midrange computer, or mainframe computer...wired or wireless ...and communicate with each other by using TCP/IP (Transfer Control Protocol/Internet Protocol) based network protocols through a single computer port or a set of computer port.

Please note that the previous PTO-271 dated 6/22/10 indicated disapproval of applicant's amendment dated 5/24/10.
